

## **Bid Mandate**

---

If you are unable to attend the 2011 Nederburg Auction in person, you may instruct the Nederburg Auction Office to arrange for bidding to be done on your behalf. The procedure is as follows:

1. Please send the completed form, to be received either by the Auction Office or your sales representative, by no later than Tuesday 23rd August 2011 by close of business. The completed form can be faxed or e-mailed to the Nederburg Auction Office as per the details below, or forwarded to your sales representative.
2. If this form is received in time and is in order, endeavours will be made to purchase your requirements in the manner indicated by the Conditions of Sale published in the auction catalogue, which is available for download online at [www.nederburgauction.co.za](http://www.nederburgauction.co.za). They will not exceed the prices stated on this form.
3. As the wine in each item will be put up for auction in lots (or groups of lots) it may not be possible to purchase the total number of cases stated on the form. Purchases will, however, not exceed the amount stated on the form.
4. Please use the form provided and ensure that you record accurately the lot numbers, descriptions and the top hammer price you are willing to pay for each lot. "Buy" or unlimited bids will not be accepted. Bids must be placed in the same order as the lots appear in the catalogue.
5. Please place your bids as early as possible. In the event of identical bids, the earliest received will take precedence. Where appropriate your bids will be rounded down to the nearest amount consistent with the Auctioneer's bidding increments.
