

## NEDERBURG AUCTION BID MANDATE

If you are unable to attend the 2017 Nederburg Auction in person, you may arrange that bidding is done on your behalf by requesting the Nederburg Auction Office as such in the following manner:

1. Send the completed mandate form provided for below directly to the Auction Office by no later than **07 September 2017**.  
The completed form can either be faxed or e-mailed to the Nederburg Auction Office as per the details below.
2. Provided the mandate form is received on time and in order, your requirements will be purchased in accordance with the Conditions of Sale published in the auction catalogue, which is available to download online at <http://www.nederburgauction.co.za> under the bidding and buying tab.
3. The wine in each item will be auctioned in lots (or groups of lots) and it may not be possible to purchase the total number of cases stated on the mandate form. The purchase price will however not exceed the maximum amounts stated on the form.
4. Please ensure that you accurately record the lot numbers, descriptions, and maximum price you are willing to pay for each lot and that the bids are listed in the same order as the lots appear in the catalogue. "Buy" or unlimited bids will not be accepted.
5. Please place your bids as early as possible. In the event of identical bids, the earliest received bid will take precedence. Where appropriate bids may be rounded down to the nearest amount consistent with the Auctioneer's bidding increments.
6. It is important to note that the auction does not facilitate split lots.
